

JTK-1002 Clean Room Tool Kit

Jensen has taken every precaution to guard against particulate contamination and still provide the most functional clean room kit possible. Our PVC pallets are fully submersible in cleaning tanks or can be easily cleaned by hand. Cases are easily cleaned as well.

JTK-1002 Metric tools are located on a third pallet that fit in bottom of case. Deluxe Poly case features tongue and groove aluminum valance, draw-bolt style latches and combination lock. Measures 17 3/4" x 12 3/4" x 6" (inside dimensions).

JTK-1003 Inch tools are located on the side hinge pallet and metric tools on the bottom pallet. Rota-Tough case is larger, providing additional storage space. Case features rotationally molded construction for extra strength, key-locking latches and measures 17 3/4" x 14 1/2" x 8" (inside dimensions)
