

JTK-2100 Series Network Managers Kit

PC repair is made easier for those who travel, simply by switching the same tool pallets between soft and hard cases as the need arises. Rugged Cordura case measures 17 3/4" x 12 3/4" x 3 1/4" and has three outside pockets: one large and two small. Poly case measures 17 3/4" x 12 3/4" x 5"; is constructed from vacuum-formed, high density polyethylene, and features both key and combination locks. Optional shoulder strap available for the Cordura case.

Shown with optional meter, test kit & soldering iron.
