

JTK-5 Network Kit

Contains a strong selection of basic networking hand tools with pockets for additional cutters, strippers, crimpers and connectors. Clear pockets and parts boxes allow easy inventory of consumables. Rugged Cordura Plus case with three padded outside pockets for test equipment (two are 4 1/2" x 12 x 2", one is 7 x 12 x 2"), and a 16 x 12 x 2" document pocket on the opposite side. D-rings are attached for optional shoulder strap.

JTK-5WB is available with suggested optional tools: 419-349 MicroScanner Pro, 759-010 Wire Wrap Tool, 190-420 Crimp Tool, 600-360 Modular Crimp Tool, 191-311 RJ Jack Identifier, and 409-948 Test Set.
